

Highlights on the Creation Christmas Tree NL

Time certainly flies when you're having fun! The Festive Season is upon us and it's time to reflect on the year that's almost past. Especially on the achievements ...

According to Creation co-owner and marketing director Carolyn Martin 2017 has once again brought many exciting challenges and opportunities. Among the shining examples has been the launch of a new Wine and Food Pairing initiative. Aptly named 'The Story of Creation', it celebrates the estate's trendsetting spirit, featuring seven different courses or 'chapters', paired with eight award-winning Creation wines. Each wine enhances an artfully created small plate dish and thus the Creation narrative unfolds with each delectable chapter.

What is Christmas without Cookies?

But we're not talking just any cookies. We're talking two delectable recipes specially created by the Creation Culinary Team to be enjoyed with Creation's flagship wines: the Chardonnay and the Pinot Noir. Click [here](#) for the recipes of the delightful Cranberry and Tarragon Cookies (superb with the Creation Pinot Noir) and the delicious Blood Orange and Coconut Cookies (great with the Creation Chardonnay). Enjoy!

Here are a few comments recently made by our visitors:

“Creation Wines only gets better. If you want to impress someone take them to Creation Wines. The food was superb not to mention the wines. The attention to detail make me want to go back for more and friendly and knowledgeable staff. “ – Olaf Dambrowski (Post-tasting feedback)

“We had an absolutely amazing time, as always, thank you. The only comment I would make is that it was a little loud for fluid conversation. Thanks for having us, we will be back again soon” – Kelly Driscoll (Post tasting feedback)
