

## CREATION ROUSSANNE, GRENACHE BLANC, VIOGNIER 2023

Rain in a Summer Herb Garden

The evocative fragrance of petrichor: spring showers refreshing a thirsty earth. Swirl your glass and more seductive promises unfold. A herb garden wafting its perfume into the ether; a profusion of sun-ripe orange, apricot and peach. All of which are reflected on the finely nuanced palate where titillating mineral tension combines with characteristic cool-climate crispness. A delightfully vivacious wine and exceptionally food-friendly to boot!
